EFFECTS OF THE SYRIA CRISIS

- Lack of framework for refugee integration into labour market
- Multiplication of actors providing employment services
- Lack of coordination affecting effectiveness of employment services
DAY-TO-DAY IMPLEMENTATION CHALLENGES

PREDOMINANCE OF INFORMAL EMPLOYMENT

- Impact of refugee presence on national economies
- Restrictive legal framework
- Employment conditions: the employer side / the job seeker side

AN EXTREMELY TIME INTENSIVE PROCESS

- Finding relevant labour market information
- Building trust between employers and job seekers
TOWARDS IDENTIFYING SOLUTIONS

How do we measure success?

What can we do to improve?
