NLG Tech Task Force Webinar:
Skype in the Classroom

January 18, 2017
NLG Tech Task Force in 2018

• NLG Tech Task Force will continue working to connect experts in refugee response with the private sector expertise and resources to address the needs of displaced children and youth.

• We will do that through:
  1. Growing the Task Force community and facilitating cross-sector sharing
  2. Initiating, managing, sharing, and scaling cross-sector project-based collaborations (evidence based, tech enabled)

• Focus: 3rd pillar of NLG - Youth & Adolescents, including education, livelihoods, and participation.
Reminder: NLG Tech Summit in Amman

• NLG is hosting the NLG Tech Summit in Amman, Jordan on 21 and 22 February 2018. Sponsored by Microsoft, World Vision and NetHope.

• **Focus:** Four challenges faced by the young people displaced by conflicts in Syria and Iraq as well as vulnerable young people living in the communities hosting them. These challenges include **education, employment, participation, and protection.**

• **Who should attend:** humanitarian response experts, private sector companies, academic institutions, donors, investors, and displaced youth.

• **How you can participate:**
  • Attendee – Register [here](#) ASAP.
  • Exhibitor – Complete [this form](#).
  • Speaker – Complete [this form](#).
  • Sponsor – Email [contact@nlgedtech.com](mailto:contact@nlgedtech.com).
Get involved today!

1. Your feedback is extremely important to our ongoing effort and we hope you'll take time to complete this survey. We expect that it should only take about 5 minutes. Thank you in advance!

2. Sign up for the Task Force to receive future communications and invitations to webinars and events.

3. Review recordings of past Task Force webinars and available resources / potential partnerships. Share the resources with your colleagues around the world.
