NLG Tech Task Force

Leila Toplic
leila.toplic@nethope.org
NLG Tech Task Force

- NLG Tech Task Force facilitates collaboration in the international development community and between the NGO and private sectors with the focus on ICT-enabled, evidence-based programs for refugee education.
- Membership open to global and local NGOs, private sector companies, academic institutions, and host governments.
- Ongoing engagement via monthly webinars, Task Force website, toolkits, in-person convenings at conferences, and project-based collaborations.
NLG Tech Task Force Webinars

- About webinars
  - Information exchanges for NGOs and tech sector to share, learn, and initiate new collaborations.
  - Programs and tools featured on the Task Force webinars are examples.

- Webinar themes
  - Current theme: Youth education, training, and livelihoods.
  - Task Force members and NLG community are encouraged to share their needs, interests, and ideas via [this poll](http://solutionscenter.nethope.org/NLG).
