MAKANI CENTERS

Makani, meaning “My Space” in Arabic, is a center where out-of-school children and youth are provided with learning opportunities, life skills training and psychosocial support services through activities like informal education, community committees, community outreach.
PARTNERING WITH ENDLESS

- International Medical Corps partners with Endless to integrate Endless computers into Makani Centers’ to improve educational opportunities and well-being of refugee children and youth.

- The Endless operating system comes pre-installed with over 150 apps for education, work, or entertainment that don’t require Internet.

- Children and youth are using these computers to learn how to use email, accessing encyclopedias, math apps, cooking apps, and Microsoft Office (Word, PowerPoint, Excel), and more.
Global PC ownership

Wealthiest 2 billion have computers

The next 3 billion do not

1.2B are poor
The real barrier is Internet access.
