ICT4D Webinar Series:
Rise of platforms in ICT4D
October 16, 2018
Housekeeping

• Let’s keep this interactive:
  Post questions in WebEx Chat window for the Q&A and discussion session

• Look for a follow-up email w/recording & collateral on NetHope Solutions Center

• Please respond to webinar satisfaction poll presented after the webinar
Speakers:

Duncan Drury, ICT Consultant, DDICT Consulting & NetHope

Nirinjaka Ramasinijatovo, Head of Monitoring and Evaluation, ACDI/VOCA

Lori Freeman, Vice President of Nonprofit Industry Solutions and Strategy, Salesforce.org

Priscilla Chomba-Kinywa, Global Tech & Innovation Advisor, Folkekirkens Nødhjælp (DanChurchAid)

Bryan Sobel, Technical Advisor, Catholic Relief Services

Natasha Beale, Program Manager, Center for Effective Global Action, University of California, Berkeley

Moderator:
Sonja Ruetzel, Catholic Relief Services
Discussion:

1. What platform approaches to collect data for MEaL and program management purposes do you see? What are the current trends?

Duncan Drury,
ICT Consultant,
DDICT Consulting & NetHope
Discussion:

2. How do you choose the right tool for data collection? When does it make sense to use a platform based on your data needs, ecosystem, user skills, budget?

Nirinjaka Ramasinjatovo,
Head of Monitoring and Evaluation,
ACDI/VOCA
3. What are the key commonalities of successful implementations and platform uses you see with your NGO client base?

Lori Freeman,
Vice President of Nonprofit Industry Solutions and Strategy,
Salesforce.org
4. What are the key considerations (and actions) to ensure security and privacy compliance?

Priscilla Chomba-Kinywa,
Global Tech & Innovation Advisor,
Folkekirkens Nødhjælp (DanChurchAid)
5. What is your advice/experience for NGOs deciding between centralized vs decentralized approach for their platforms?

Bryan Sobel,
Technical Advisor,
Catholic Relief Services
6. How to you best go about training your colleagues, partners, end-users without technical jargon?

Natasha Beale,
Program Manager,
Center for Effective Global Action,
University of California, Berkeley
